The Resolutions Subcommittee met Saturday, September 16, 2017 at NJSBA Headquarters, Trenton, to review the resolutions that will come before the Semiannual Delegate Assembly on November 18, 2017.

The Association received 3 resolutions from local boards of education for submission to the agenda for the Semiannual Delegate Assembly by the official cutoff date on September 5. One resolution was removed from the agenda of the Delegate Assembly by the Resolutions Subcommittee pursuant to Article V., Section 5f of the *Bylaws* because the resolutions would constitute reaffirmation of existing Association policy. Pursuant to Article V, Section 6, action taken by the Resolutions Subcommittee may be overridden upon a motion and simple majority vote. The motion to override must state specifically the remedy sought by the moving party. The motion to override shall not be subject to debate except that both the maker of the motion and the chair of the Resolutions subcommittee shall be given three minutes to address the delegates concerning the motion.
